All applicants of the 2020 Graduate School of Engineering, The University of Tokyo Entrance Examinations for the Doctoral Program Schedule B must submit official TOEFL iBT scores or TOEFL PBT (“Institutional (Official) Score Report” and “the copy of Test Taker (Examinee) Score Report”) by the prescribed deadline (except if exempted according to the applicant guideline regulations).

Please refer to the “Notice regarding Foreign-language (English) Examinations in 2020 Graduate School of Engineering, The University of Tokyo Entrance Examinations (Doctoral Program)” for more information.

We will explain the frequently asked questions regarding this below.

Q1 I already took the TOEFL iBT before and made a request to ETS to forward the score to the Graduate School of Engineering, the University of Tokyo. However, what should I do if I would like to take the TOEFL iBT again and use the latest score?

A1 Please request that ETS forward the latest “Institutional (Official)” to the Graduate School of Engineering, the University of Tokyo. It is no problem to send multiple “Institutional (Official) Score Reports” to us.

However, you should select only one score and submit the copy of corresponding “Test Taker (Examinee) Score Report”. Only the “Official Score Report” with the same test date and score of the copy will be valid.

In addition, it is not possible to replace the copy of the “Test Taker (Examinee) Score Report” which you have already submitted with a more current score report.

Q2 If I’m taking the TOEFL iBT/PBT on (dd/mm/yyyy) and requesting ETS to forward the score to Graduate School of Engineering, will it be in time for the application?

A2 In some cases, it may take a considerable number of days from the time you request the ETS to forward the “Institutional (Official) Score Report” until it arrives at the Graduate School of Engineering because of overseas mail. It is your responsibility to make the request to ETS in a timely manner in order to have this time to spare. It may also be useful to confirm the Bulletin of TOEFL iBT/PBT and information on the website of ETS and CIEE.

Please refer to (2) in the “Notice regarding Foreign-language (English) Examinations in 2020 Graduate School of Engineering, The University of Tokyo Entrance Examinations (Doctoral Program)”. 
Q3 According to the “(1) Copy of “Test Taker (Examinee) Score Report”” in the Notice regarding Foreign-language (English) Examinations in 2020 Graduate School of Engineering, The University of Tokyo Entrance Examinations”, it is written that “Please submit the paper copy of “Test Taker (Examinee) Score Report”, which is sent to the applicant from ETS by postal mail. However, you can submit the printed page which shows your score from the “My Homepage” page on the ETS web site as a substitute. The substituted score paper must contain your “Name”, ”Registration number”, ”TOEFL Test date”, etc. If you would like to submit the substituted score paper, you must refer our web site for submission details.”
What should I actually do for this type of submission?

A3 Please refer to “How to submit your TOEFL score as a printout from “My Home Page” on the ETS web site (as a substitute for the “Test Taker (Examinee) Score Report” to be submitted with application documents)”.
