NOTES REGARDING THE EVALUATION DOCUMENT

- *When filling out this assessment, please write in either Japanese or English. Additionally, if hand writing, please be careful to use either black ink or a black ballpoint pen
- *The name of the author of this evaluation form will be written in the "current academic advisor" section of the application form.
- *This document is a very important resource for reviewing information about the applicant. Please ensure the data provided is concrete and as clear as possible. No other documents may be used.
- *Make three copies of this completed document (size A4), and place both the original and the copies into a A4 sized envelope. Seal the envelope, and attach it to the application form, which will be prepared by the applicant. Include the name of the applicant and the name of the evaluator on the envelope containing the evaluation forms.
