

## **“Special Oral Examination” for 2025 (to be conducted in 2024)**

The following departments of the Graduate School of Engineering will conduct a “Special Oral Examination” in the 2025 entrance examination for the Master’s Course (to be conducted in 2024).

Applicants who take the “Special Oral Examination” and are selected will be exempted from the written examination (and other examinations depending on the department) of Regular Admission.

Detailed information on the “Special Oral Examination” for each department will be posted on the following websites as soon as it is determined.

### **“Special Oral Examination” in the 2025 entrance examination for the Master’s Course (to be conducted in 2024)**
