

Notice regarding Foreign Language (English) Examinations in 2024 Graduate School of Engineering, The University of Tokyo Entrance Examinations (How to submit TOEFL score) (Master's Program, Doctoral Program [Application Schedule A])

*TOEFL ITP will not be conducted on the day of Graduate School of Engineering entrance examination.

- ◆ Students should submit an official TOEFL score from a test administered in September 2021 or later.
- ◆ Students should plan ahead to allow ample time for taking a TOEFL test before applying for the entrance examination. It would be better to confirm your TOEFL score to be submitted, before entering the Appointment Number in the WEB Application System.
- ◆ Deadline for submission of score depends on the department. Please check the Guide to Entrance Examinations for the department of your choice.

[How to submit TOEFL scores]

- The official scores of TOEFL iBT test or TOEFL iBT Home Edition test are valid. Please check the ETS website for information on how to apply for the TOEFL test and for confirmation of required equipment and examination environment of the TOEFL iBT Home Edition.
- Be sure to request ETS to transmit your score to our graduate school when registering for a TOEFL test. Applicants who already have a TOEFL score and plan to submit that score should also request ETS to transmit the score report to our graduate school. Please check the ETS website for information on how to request ETS to transmit your score.

Send TOEFL Institutional Score Report to (TOEFL DI Code for Graduate School of Engineering):

- We cannot accept your scores if you do not use these exact codes.
DI (Designated Institution) Code: "8596" (University of Tokyo Engineering)
Department Code: "99" (Any Department Not Listed)

- Students should enter the Appointment Number and the Test Date of your TOEFL score to be submitted in the WEB Application System at the time of application.
- If you submit more than one score, only the score of the Appointment Number and the Test Date you entered from the WEB Application System will be valid.
- The score report data that you entered at the time of application will be checked online. As long as you order this report and there is no problem during your TOEFL test, we should receive your score report data online about 2 weeks after you take the test.
- We accept the score report data that we receive online as your foreign language exam score, so it is not necessary that the score report arrives at our graduate school by mail before the deadline.

[Notes]

- You are not required to submit a Test Taker Score Report.
- No changes to the submitted TOEFL scores are allowed after submitting your application for the entrance examination.
- There has been some trouble with TOEFL, such as test cancellations and postponements on the day of the test or delays in issuing official scores. Please plan ahead to allow ample time for taking an exam.
- Please check the information on the ETS website and send your score with sufficient time to arrive by the deadline.
- Foreign language (English) exams of Graduate School of Engineering Entrance Examinations use "Test Date Scores". We do not use "MyBest Scores".
- TOEFL ITP Plus for China (students living in mainland China only) will be also accepted. When submitting a TOEFL ITP Plus for China score, please submit a copy of the score notified to your Vericant account along with your admissions application documents. Also, from the "Send to Schools" page on the Vericant student portal site, specify the University of Tokyo (Engineering) as the data recipient.
