

School of Engineering

The University of Tokyo

Engineering the Future Together

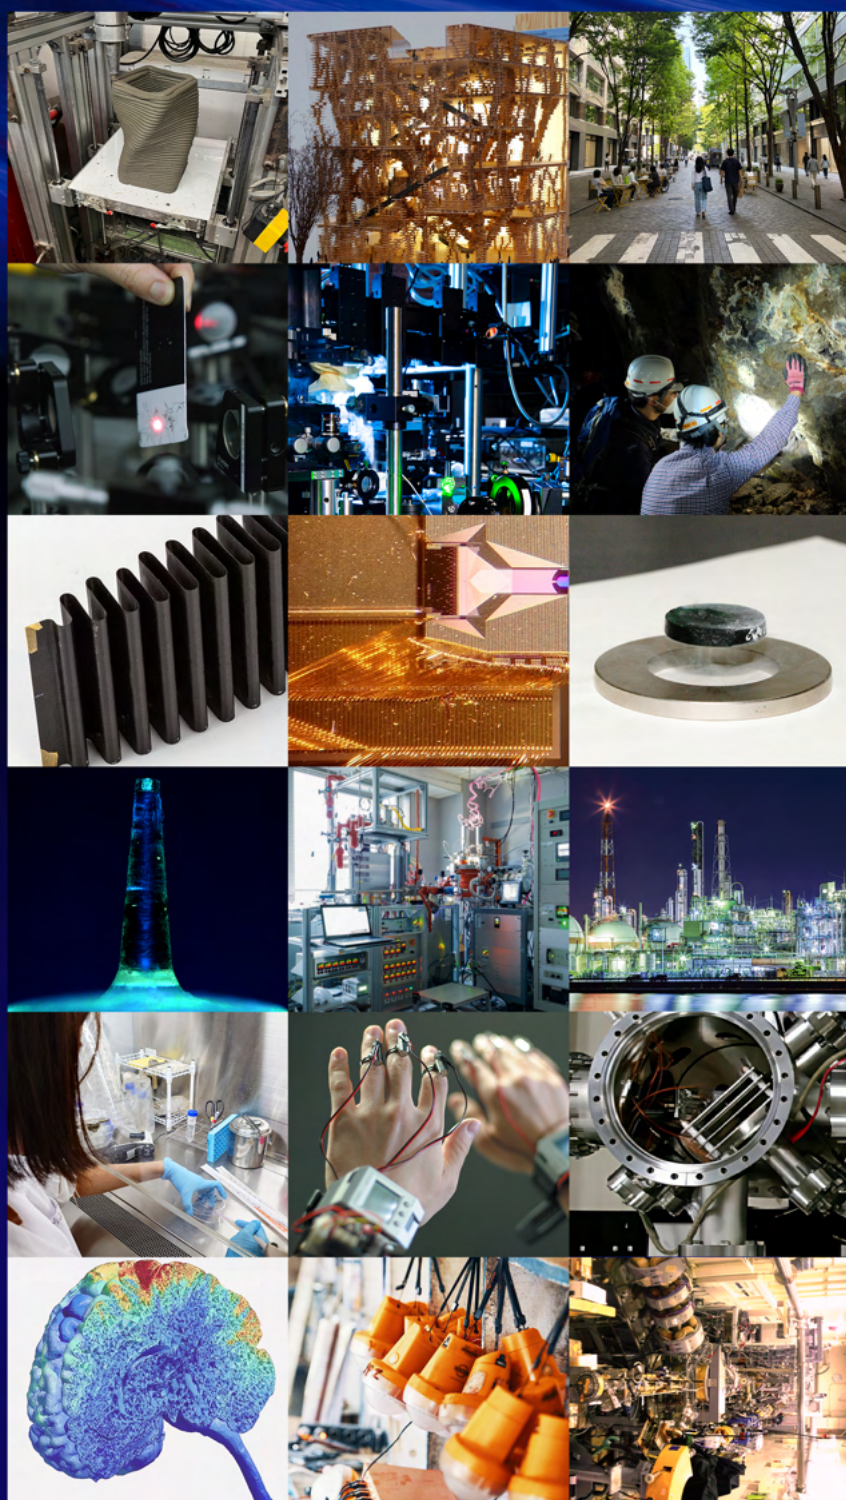

Join us in advancing knowledge, transforming discovery into application, and developing solutions to society's most pressing challenges through the power of engineering.

Breadth and Depth

Covering the full spectrum of engineering disciplines

- Civil Engineering
- Architecture
- Urban Engineering
- Mechanical Engineering
- Precision Engineering
- Systems Innovation
- Aeronautics and Astronautics
- Electrical Engineering and Information Systems
- Applied Physics
- Materials Engineering
- Applied Chemistry
- Chemical System Engineering
- Chemistry and Biotechnology
- Advanced Interdisciplinary Studies
- Nuclear Engineering and Management
- Bioengineering
- Technology Management for Innovation
- Nuclear Professional School

Departments

Engineering Research in the Heart of Tokyo

WHY UTOKYO?

WHY CHOOSE UTOKYO ENGINEERING?

 **World-Leading Excellence**
Recognized among the world's top engineering schools
for its outstanding global reputation

 **Global Ranking**
Ranked 18th worldwide in Engineering & Technology
(QS World University Rankings 2026)

 **Diverse International Community**
Over 35% of graduate students are from overseas,
representing 78 countries and regions

 **Classes in English**
That's the standard here

 **Research-Driven Education**
Begin your research from day one of your
graduate studies by joining a lab and
working closely with leading professors

HOW TO APPLY

ADMISSIONS FOR INTERNATIONAL STUDENTS

IAP
International
Admission
Programs

Designed for International Applicants
**Entire Application Process
in English and Fully Online**

Scan to find out which admission pathway
is right for you

Scholarships and Financial Aid

Students gain access to a wide range of scholarships
and funding opportunities

STUDENT SUPPORT

SUPPORT FOR INTERNATIONAL STUDENTS

We offer comprehensive support services to help you
succeed academically and adapt to life in Japan

-  **Housing Assistance**
-  **Japanese Language Classes**
-  **Cultural Experiences**
-  **Career Support**

School of Engineering, The University of Tokyo, Hongo Campus

Your Future, Worldwide

Build your research career in Tokyo and unlock opportunities around the world
